1) Standard equipment up to and including 1986.

928, 928S, 928 S4

Tire Dimension	Tire Make and Type
215/60VR15	Pirelli P6
225/50VR16 245/45VR16	BF Goodrich Comp T/A N0 Bridgestone RE71 N0 Dunlop SP Sport D40 Goodyear Eagle VR N0
225/50ZR16 245/45ZR16	Pirelli P700-Z N0 Michelin MXX N0

N0 or N-0 designated tires were introduced as original equipment with 1988 models. N0 designation is cast in the sidewall close to the tire type casting. Tires without N0 designation can be of different construction. Mixing or use of non-"N0" tires on a vehicle is not approved.
